

You need to upgrade your Flash Player. var so = new SWFObject('avs4you_player.swf',
'player', '450', '370', '7', "#ffffff"); so.addParam("allowScriptAccess","always");
so.addParam("allowFullScreen","true"); so.addParam("wmode", "window");
so.addParam("scale", "noscale"); so.addVariable("file",
"../VIDEO/avvocatidistrada/avvocatidistrada.flv"); so.addVariable("width", "450");
so.addVariable("height", "370"); so.addVariable("theme", "Youtube.swf");
so.addVariable("repeat", "0"); so.addVariable("autostart", "0"); so.addVariable("image", "");
so.addVariable("volume", "50"); so.addVariable("scaleonresize", "none");
so.addVariable("top_caption", " "); so.addVariable("bottom_caption", " "); so.addVariable("v",
getQueryParamValue("v")); so.write("flashcontent");
